SourceCode Technology Holdings, Inc. Download License

1. All Software is provided "as is," with no representations or warranties of any kind, either express or implied. Your use of any Software is at your own risk. SourceCode makes no representations or warranties regarding the use of the Software in a production environment. All Software is provided under the terms of this license and is not sold to you.

2. Unless otherwise specifically provided, all Software is for your own individual non-commercial use. If you are acquiring Software on behalf of a company, you and the company may only use the Software for the company's internal business purposes unless otherwise specifically provided. You shall not sell, resell, lend, lease or otherwise distribute the Licensed Software, or make the Licensed Software available in any manner, to any third party unless specifically provided. You may not use the Software to provide application services to any third party.

3. You will not cause or permit the reverse engineering, decompilation or disassembly of any Software or any portion thereof, except and only to the extent that such activity is expressly permitted by applicable law.

4. No Software may be used for purposes of competitive analysis or development of a product competitive to SourceCode products.

5. SourceCode does not grant you any rights in connection with any trademarks or service marks of SourceCode or its licensors. You shall not remove or modify any notices or marking which may be contained in the Software.

6. Your rights to the Software terminate automatically upon any breach by you of the terms of this license. If you file a claim against another party using the Software based on your alleged intellectual property rights, your license to the Software ends automatically.

7. This license contains the only rights granted to you associated with the Software, and SourceCode reserves all rights not expressly granted to you in this license. All rights, title, interest and copyrights in and to the Software are owned by SourceCode or its licensors.

8. Neither SourceCode nor its licensors will be liable to you or any third party for any direct, indirect, incidental, special, punitive or consequential damages, or any loss of data, profits, revenue or use arising from these terms or any Software. If you are permitted to distribute the Software or otherwise allow others to use or receive the Software, you will pass on these terms to such others and ensure their compliance with these terms.
