Add link to a channel tab:

The screenshot shows a dark-themed dialog box titled "Add link to a channel tab" with the Microsoft Teams logo and name. It contains several input fields:

- Connection ***: A dropdown menu with "teamstest" selected, a close button (X), and a refresh button.
- Team ***: An empty text input field.
- Channel ***: An empty text input field.
- Tab name ***: A text input field with the placeholder text "Maximum 127 characters".
- URL ***: A text input field with the placeholder text "URL must starts with https".
- Store tab ID**: A dropdown menu with "Select a variable" selected.

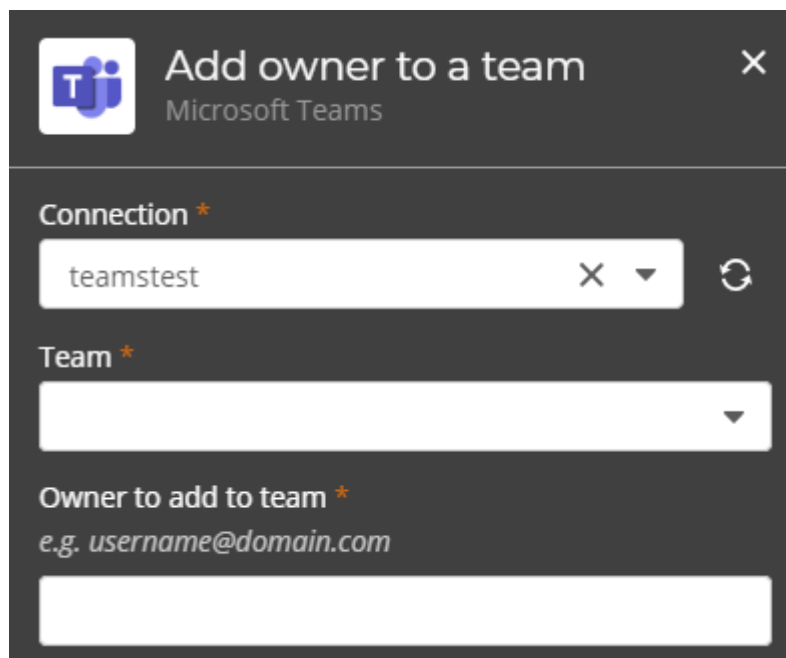

Add member to a team:

The screenshot shows a dark-themed dialog box titled "Add member to a team" with the Microsoft Teams logo and name. It contains the following input fields:

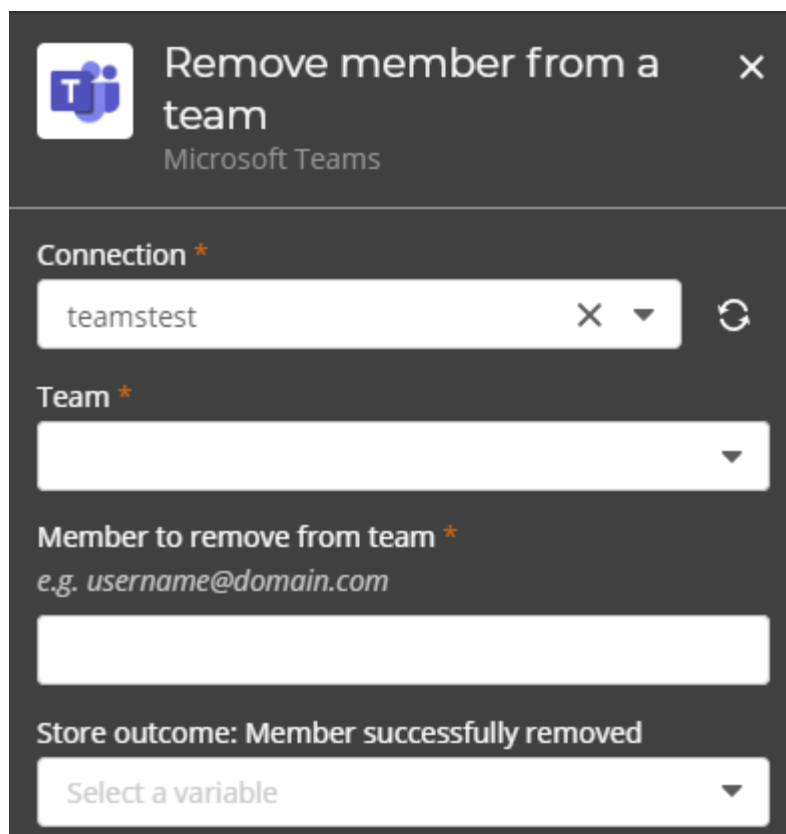

- Connection ***: A dropdown menu with "teamstest" selected, a close button (X), and a refresh button.
- Team ***: A dropdown menu with a downward arrow.
- Member to add to team ***: A text input field with the placeholder text "e.g. username@domain.com".

Add owner to a team:

The screenshot shows a dark-themed dialog box titled "Add owner to a team" with the Microsoft Teams logo and a close button (X) in the top right corner. Below the title bar, there are three main sections: 1. "Connection *": A dropdown menu currently showing "teamstest" with a refresh icon to its right. 2. "Team *": An empty dropdown menu. 3. "Owner to add to team *": A text input field with a placeholder example "e.g. username@domain.com".

Remove member from a team:

The screenshot shows a dark-themed dialog box titled "Remove member from a team" with the Microsoft Teams logo and a close button (X) in the top right corner. Below the title bar, there are four main sections: 1. "Connection *": A dropdown menu currently showing "teamstest" with a refresh icon to its right. 2. "Team *": An empty dropdown menu. 3. "Member to remove from team *": A text input field with a placeholder example "e.g. username@domain.com". 4. "Store outcome: Member successfully removed": A dropdown menu currently showing "Select a variable".
